

# SUNRISE GYMNASTICS

## CLASS FEES AND POLICIES

- The session's tuition fees are based on a four-week session with one class per week, fees payable the first week of each session. Refer to our Yearly Calendar for Session dates.
- A late fee will be added to all accounts remaining unpaid after the second week of each session.
- Enrollment payments must be made by credit/debit card and that card will be kept on file and charged in the event your account is behind by two sessions or more.
- After the initial payment fees may be paid by cash, check, or credit card. There is a 4% processing fee for credit/debit card payments.
- There is a service fee for each returned check.
- Make up classes are available for any missed class. All make up classes must be scheduled with the office and used within 30 days, or they will be forfeited. Students must be currently enrolled, and tuition must be paid to schedule makeup classes.
- SGA will not adjust monthly tuition payments for missed classes.
- Your child's spot will automatically be held until you choose to change times or unenroll. **A withdrawal form must be signed to unenroll.** You are responsible for all tuition fees while enrolled in class.
- Holiday closings and breaks are all marked in red on or SGA Yearly calendar.
- We have digitalized our system and will now send statements by email. We're paper free!
